

# Vendors & Contractors

The list you want on your phone at 9pm when a water heater fails. Keep license and insurance dates current.

PROPERTY / PORTFOLIO \_\_\_\_\_ UPDATED \_\_\_\_\_

| TRADE | COMPANY | CONTACT | PHONE | AFTER HOURS? | LICENSE / INS. EXP. | TYPICAL RATE |
|-------|---------|---------|-------|--------------|---------------------|--------------|
|       |         |         |       |              |                     |              |
|       |         |         |       |              |                     |              |
|       |         |         |       |              |                     |              |
|       |         |         |       |              |                     |              |
|       |         |         |       |              |                     |              |
|       |         |         |       |              |                     |              |
|       |         |         |       |              |                     |              |
|       |         |         |       |              |                     |              |
|       |         |         |       |              |                     |              |
|       |         |         |       |              |                     |              |
|       |         |         |       |              |                     |              |
|       |         |         |       |              |                     |              |
|       |         |         |       |              |                     |              |
|       |         |         |       |              |                     |              |
